9th January 2017

Dear Parents and Carers,

Governors, staff and children at Trewidland Primary School have been working closely with a number of schools across South East Cornwall over the past year in order to retain and strengthen the existing links between local primary and secondary schools. These schools are listed below. Ensuring the continuity and quality of education for all of the young people in our local area is our biggest priority and to achieve this we have been working in order to establish the South East Cornwall Multi Academy Regional Trust (SMART).

Bodmin College  
Dobwalls Community Primary School  
Landulph School  
Liskeard School and Community College  
Looe Community Academy  
saltash.net Community School

This is an exciting period of time that will ultimately benefit our school community and the wider community across South East Cornwall. Therefore we are keen to invite parents and carers to a presentation evening at 6:00 pm on 24th January 2017 at Liskeard School and Community College. At the meeting governors, staff and children will provide you with more information about how SMART will work and what this means for your child and their education for the future.

We very much look forward to seeing you there and sharing our vision with you.

Yours sincerely,

Mr V Lovell  
Headteacher
