INSPIRING EXCELLENCE ACROSS THE CURRICULUM

Sports day

Our Sports Day is on **Thursday 15th June at 1:30 pm**. Please can you ensure your child/children come to school dressed in their PE kits with sun cream, hats and a drinks bottle. Please can I ask parents to use the main carpark and car share if possible as the event is usually well attended.

Should the weather take a turn for the worse next week, we will text parents between 12:00 and 12:15 to confirm if the event is still going ahead. The reserve date for Sports Day is 22nd

June starting at 1:30.

Refreshments will be available on the day and we very much look forward to seeing you and there will be a parent race if you wish to bring your trainers!

Hundred Acre Wood Class

This week in Hundred Acre Wood class, we've been getting creative with apostrophes! Our budding poets have been using them for possession, and it's safe to say we've got some real talent on our hands!

But that's not all! We've also been taking full advantage of the great outdoors for our maths and science lessons. Science experiments, nature walks, you name it - we've been doing it!

On top of all that, our green-fingered pupils have been hard at work in the outdoor area. We've pulled up some absolutely enormous turnips, and we can't wait to see what else our school garden has in store!

Farthing Wood Class

Rehearsals have begun for our Summer Play on the 6th of July: *Treachery at Traitors' Quay!*

Overview: It's World War II and London isn't safe. The five Dawson children are evacuated to the coast to stay at the large home of Eggin-Drake, Minister of Information. They're thrown in amongst all sorts of characters - from the dishevelled Home Guard and air-raid wardens to the surly gamekeeper and the retired sea captain. It soon becomes apparent to the children that there is a spy in their midst. Determined to investigate, they head down to the Quay and snoop around the smugglers' caves. But who is the spy? Can their plan be foiled before it's too late? And just what IS the strange secret about the JAM?

Join Duggie, Billy and Rosie as they head the investigation in this lively, dramatic mystery production with an exciting script and seven fantastic songs.

Costume letters, words to rehearse & play/ticket details will be coming home in the next few weeks.

Mr Lovell & Mrs Moore

Gruffalo Wood Class

It's been a superb return to pre-school with our amazing students embracing all things phonics. Our oral blending skills are off the charts, and we are loving using our knowledge to identify starting sounds. We are exploring mark marking in our independent play, with the children taking it in turns to be the teacher leading the class through writing and drawing activities. Brilliant stuff!

We are getting sports day ready by practising our racing, trying different strategies to travel through the course. General consensus ... rolling down hill is the best way! Our last term is set to be smashing with stay and play sessions starting this week for the September new joiners. We are keeping our nature safety rules in our heads as the season of BBQ's and bonfires on the beach starts, showing off our fire safety position and talking all about how to keep burn free this summer.
