

## Welcome to the Summer Term 2024

Welcome back to school after an exhilarating first week filled with captivating learning experiences and stimulating lessons. Our dedicated teachers have invested substantial effort in crafting their curriculum letters and maps, highlighting the **School Values, Secret Skills, and National Curriculum** objectives for an engaging term of learning which is bespoke to each class.

Farthing Wood Class embarks on the theme 'Environmental Explorers', while Gruffalo & Hundred Acre Wood's topic is 'Flying High'. This term, we centre our attention on the Value of **Respect**. We will be dispatching our **Home-School-Values** sheets to you, trusting that your family will find these concepts enriching as you embark on a journey exploring the essence of respect while cherishing quality time together. We encourage children to proudly present their home-school challenge items to contribute to our Values display board upon their successful completion. Our **Secret Skill** of the term revolves around nurturing **Independent Enquirers**. Detailed information can be found in our classrooms, on ClassDojo, and our website.

Anticipation builds for the myriad activities planned for this term, including the **Homework Exhibition, Sports Day, Summer Productions, and Leavers' Assembly**, to name but a few... Stay updated by checking our diary dates on our newsletters, ClassDojo, and website regularly.

This past week, we were delighted to host a **Beach Safety** talk and workshop by the RNLI. The children absorbed vital safety rules like 'stop, think, stay together, float, and phone 999'. The lifeguards commended our children for their knowledge, inquisitive questions, good manners, and exemplary behaviour throughout the session - well done children!

Don't miss out on the opportunity for Y2 - 6 children to join the **Cricket Club** offered by Arena Coaches on Monday nights from 3.15 - 4.15pm, starting on the 22nd of April. For sign-up instructions, refer to our ClassDojo page where you will find our online forms link.

A special mention to **Jack** and his Dad for their outstanding running skills displayed over the Easter holidays. **Jack (Y2)** participated in a 2.5 km run with his dad, securing the 6th position and a well-deserved medal. Clocking in at 16 minutes, it was Jack's first run, and he thoroughly enjoyed it at Cardinham woods. **Congratulations, Jack, we are immensely proud of you.** Celebrating our students' achievements, both within and outside of school, brings us immense joy. Keep us updated on their accomplishments, and we'll ensure to spotlight them in our newsletters.

**SATs Homework for Year 6:** instead of distributing multiple photocopies of tests, we have opted for an eco-friendly approach to save trees. I have carefully curated essential skills for Year 6 SATs revision up to SATs week in May. These materials cover Reading, Grammar, Punctuation, Spelling, and Mathematics, aligning with the formats of the KS2 test papers. Access these revision resources on IXL, focusing on the recommended skills provided.

Aiming to make the revision process enjoyable and effective, these tailored SATs resources intend to engage students for success and progress monitoring.

## Reminder

### PE:

Children can wear their PE kits on Mondays, ensuring they have waterproof trainers, PE top, shorts or tracksuit bottoms, and a warm jumper.

### Wild Tribe:

Farthing Wood: Thursdays

Hundred Acre & Gruffalo Wood: Wednesdays

Children can wear their Wild Tribe wet weather gear every week, including wellies or waterproof shoes, waterproof trousers & coat, warm tracksuit bottoms, a long sleeve top, and a warm jumper as they relish nature and the elements during their outdoor activities.

### Reading Books & Records:

Children must bring their reading books and records daily. Parents should sign to acknowledge they have listened to their child read at least once a week for all children. Thank you for your support with this.

### Homework Exhibition:

Engage in our Summer Term Homework Grid challenge, detailed in our Class Curriculum Letters. Children have a variety of activities to choose from weekly, earning points towards certificates and prizes.

### Rewards at Trewidland School :

Students earn **HOUSE POINTS** for effort and conduct, contributing to their respective team's standing: Phoenix (Reds), Unicorn (Yellows), or Dragon (Greens).

Individually, they can earn **DOJO POINTS** and **STARS** for outstanding class performance, manners, teamwork, exceptional work, progress, and more.

The 'Star of the Week' title is awarded during **WOW** assemblies to the children with the highest count of stars or outstanding work/behaviour etc... receiving recognition, a special prize, newsletter feature, and a spot on our **WOW** wall.

## *Dates for your Diary*

*13th May - SATS Week Year 6 Children*
