

Dear Parents & Carers,

A resounding well done to our pupils who have successfully completed their phonics screening in recent weeks! Mrs Bartlett and Miss Hume have been thrilled by their progress and unwavering determination to excel! We commend the hard work and remarkable progress made by all the children.

Additionally, we are pleased to witness the revision skills of our Year 4 pupils, who have admirably completed their MTCs these past weeks. They have demonstrated great determination and perseverance in mastering their multiplication and division skills for these tests and should take pride in their progress and results.

Thank you to everyone who has provided feedback and completed the forms regarding the new government guidance. The guidance stipulates that a typical school week should consist of 32.5 hours by September 2024. As part of our consultation with all stakeholders, we have begun to implement a two-step phased increase in our school hours. In Spring 2024, we extended our school day by 10 minutes by introducing an 8.55 am start time. In phase two, commencing on the 1st of July 2024, we will further extend the day by another 10 minutes, bringing us up to the required 32.5 hours per week with a start time of 8.45 am. The school gates will be open from 8.35 am. Please do try to complete the forms (if you can) and confirm that you have read and understood the new hours. Utilise the second box to provide any feedback (optional). Please return to us by the 24th of June. This change, once agreed, will commence from the 1st of July with school gates opening at 8.35 am

A few parents have contacted us regarding traffic and driving through the lanes to our school. While our jurisdiction does not extend to the lanes leading to our school, please make sure you drive slowly and with due care and caution on the road outside our school and park considerately for everyone. Thank you for your support and cooperation with this.

Well done to the children and staff who welcomed our visitors from the Liskeard Poetry Society. We were delighted by the behaviour and how well the children represented the school during these wonderful workshops! The writing outcomes are amazing, and we can't wait to share these with you in our school anthology. Further details to follow.

Finally, staff have been working hard to finalise the exciting plans for September, which we hope to share with you all in the upcoming weeks.

Thank you for your continued support,

Mr Lovell & Mrs Moore.

Enhancing Poetry Workshop with 'Experts' from the Liskeard Poetry Society.

We were delighted to have the pleasure of spending two enchanting mornings with, Clare and Jan, esteemed members of the Liskeard Poetry Society.

Clare, a published poet, graced us with her expertise and shared her literary masterpieces with the children, who were utterly engrossed by her mesmerising prose. Both poets generously imparted their own poetic creations and offered invaluable guidance on the art of composing and performing poetry. Collaborating with our pupils, they guided them in crafting their own poems for our upcoming Anthology and Poetry Slam scheduled for the 1st of July.

Delving into the realms of figurative language, metaphors, similes, and rhythm, it was a magical morning of creative expression, culminating in the birth of exceptional writing and inspired ideas centred around our chosen theme of 'Our World, Our Thriving Future'. We eagerly anticipate refining our poems and honing our oracy skills for the Poetry Slam event on the 1st of July.

Our heartfelt gratitude goes out to these remarkable ladies for their invaluable support and expertise and well done to the children for their wonderful manners and hard-work!
