

Dear Parents and Carers,

Skol Gynsa Trewythelan (Hello Trewidland P rimary in Cornish!)

The end of this academic year is fast approaching, and I can't quite believe how quickly it has gone – or how much we have achieved! Sports Day was brilliant, the whole school trip to the Aquarium was excellent -and the numerous other trips were great too. Then there were the clubs – they were amazing and of course, on top of all that, the children learnt so much and made great amount of progress too. It has been a whirlwind.

The end of term concert today has showcased some of the work the children have covered in their music lessons with Mrs Butlin. They really do excel at singing! I really hope you enjoyed it – and enjoyed being in school. It was also a great opportunity to celebrate our pre-school children who have 'graduated' today – they will now join our Reception year in September. And of course, today also gave us an opportunity to say 'goodbye and good luck' to our year 6's. They are moving on to exciting new adventures in secondary school. We will certainly miss you.

We continue to be in school for two more days next week. Please remember that school starts again on Tuesday 2nd September 2025. We will see you all then.

Have a fantastic summer break.

Mrs Amanda Cummings

Eco Committee Initiatives

On Saturday 12 July the children joined Mr Jones and Mr Cluer for a Big Litter Pick. They collected ... 20 Plastic bottles, 30 cans, 3 glass bottles, 5 Tetrapak, 35 crisp packets plus lots of plastic wrappers and other rubbish. Almost 6 bags full of rubbish in an hour in an area around Castle Park, along pavements and in hedges. Well done to all those who took part. A fantastic effort!

10 REASONS TO PLAY

1 It's good for your health
As little as 10 minutes of table tennis at a time can do wonders for your fitness.

2 It's easy on the body

Table tennis is a non-contact sport (just make sure you move in doubles!) You can play within your own capabilities and limitations and still have a great competitive game.

3 Everyone can play

Table tennis is a truly inclusive sport, anyone can play irrespective of age, physical ability or gender. And it's a great leveler as there's so much more to the game than sheer strength or power.

4 The Generation Game

There are no age barriers to ping pong, anyone from 3 to 100 can enjoy the game!

5 You can play anywhere

Club, sportshall, office, factory, canteen, cafe, pub, home, garden, park, club, community venues, shopping centres, sportshall, religious centres, village hall, train station, the list goes on and on and on and on...

6 You can play anytime

Ping pong can be played all year round indoors or outdoors, for an entire evening or just in your lunch break!

7 It's good for your brain

FACT: ping pong is good for the brain. It aids complex thinking and increases the cortex (the part of the brain which shrinks with age). Not only that but regular activity can reduce depression, stress and anxiety levels while improving self-esteem.

8 It's affordable

You don't have to spend a fortune playing table tennis. Basic equipment is cheap and so too is table hire.

9 It's sociable

Table tennis brings people together. Have a game with your friends, make some new ones or get to know your colleagues with a friendly game of ping pong!

10 It's fun!

Try the game - we guarantee you will share joy and laughter!
