

Dear Parents and Carers,

It was lovely welcoming everyone back into school this week. The weather was certainly glorious over half term, and I hope you all managed to get out and about to enjoy the sunshine.

We were lucky enough to have a visit Mr and Mrs Darnley with their KIT Car (Peril) this week. The children loved getting up close to the car and learning all about how it was built. They had some great questions – and Jaxxon did a great job of introducing it to everyone with a fabulous speech he'd pre-prepared. Thank you so much. We are now looking forward to the video diary you're creating so we can see how you got on racing in Scotland.

Next week we have our Health and Wellbeing week. Our mornings will remain the same as usual, but in the afternoons we'll learn about keeping ourselves safe with road safety and fire safety sessions. I will also run a 'lockdown' practice on Wednesday 10th June to remind the children of the procedure to follow, should this ever be needed. We will talk to the children about this first of course and provide reassurance too. The children have had a few practices of these now and they are part of a variety of processes to keep children safe in school. Please come and talk to me if you have any questions or concerns.

Sports day is next Friday - 12th June. I'm not sure on the weather yet, but I will keep you informed should this be an issue. The session will begin at 1.30 pm. This gives us time to get the children in from lunch and set up for the afternoon's events. We'll be pleased to welcome as many of you as possible into school for this. Please congregate down the side of the running pitch to begin with. We'll bring the children out to sit with their groups and we can start the races from there. I'm looking forward to it already.

Have a lovely weekend.

Mrs Cummings
Head of School

Class 1 have been creating wall hangings of the viaduct and Class 2 have been creating sculptures of Anglo Saxon buildings.
