NEWSLETTER 10.07.26

Dear Parents and Carers,

We've had an excellent transition day in school this week. All the new joiners arrived on Monday and spent the day in Class 1 with Mrs Geeves. This meant the current Year 2's were able to come up into Class 2 and stay for the whole day. There was opportunity for some outdoor learning as well as collaboration and team building skills. Class 2 each had a section of a phoenix to collage – then work together to put it together. It wasn't as easy as they first thought!

Next week sees this year's school trip happening. We are going to The Lost Gardens of Heligan and I've booked a couple of workshops with their education team. I'm hoping the weather will continue to be dry. It's such a nice thing to be able to get the whole school onto two minibuses and out in the community, ready to learn. Everyone is very excited -it looks set to be a great adventure.

I wanted to also draw your attention to the last week of term, as on Monday 20<sup>th</sup> July, we will host our end of term Assembly. This has been curated by the Year 6 children and will serve as their leaver's assembly. They wanted to include some awards so we will be awarding trophies too (for sports, music, maths and creative writing) . We will also present certificates to our Pre-school children who are 'graduating' from our Nursery stage and will be starting school in September. The assembly will start at 2pm and we hope you are all able to make it.

I hope you all have a lovely weekend.

## Discounted attractions and meals out this Summer

*The Government's Great British Summer Savings scheme runs from 25<sup>th</sup> June to 1<sup>st</sup> September. VAT has been reduced on a range of family activities, including children's menu meals, children's tickets for cinemas, theatres and concerts, and entry to attractions such as soft play centres, museums, wildlife parks and amusement parks. In addition, children aged 5-15 can travel on buses across England free throughout August. More information can be found by searching online for 'Great British Summer Savings'.*

**We have had communication via Devon and Cornwall Police that they have found rope swings hanging over mine shafts, with the assumption that children have constructed these and been playing there. Please can you ensure that children are reminded of the extreme danger of playing anywhere near open mine shafts and that parents are notified of this as a concern so they can ensure they are checking where their children are playing.**
