

TREWIDLAND PRIMARY & PRESCHOOL

NEWSLETTER 17.07.26

Dear Parents and Carers,

It's been another hot week in Trewidland, but the children continue to stay cool. We had our whole school trip to The Lost Gardens of Heligan on Thursday, and a marvellous time was had by all. We were able to utilise two of the Trust's minibuses to take us and we were able to participate in nature workshops with their education staff. I hope you enjoy looking at the photographs. It really was a wonderful day.

We issued the children's reports today. Please find them in the children's bags. There is a slip for you to fill in to confirm receipt and a space for you to provide any comments.

Next week is the last week of our term. On Monday we will have the Leaver's and Trophy assembly too. This will start at 2pm in the hall. We hope to see as many of you as possible. I will also present a certificate to the children who are 'graduating' from our pre-school and going into Reception from September.

On Wednesday (22nd July), the PTA are holding a 'Family Fun afternoon'. There will be a Bouncy Castle, an Inflatable course, some additional games out on the field, a raffle and food/ drinks will be available too (hotdogs, cake, ice cream, cans, fruit shoots etc). Please bring cash. Card payment are possible but you are all aware of how temperamental the internet connection is down here, so cash is better. The event starts at 2pm. If you are able to come and enjoy it with your child, please come to the back of Class 2 to collect them at 2pm. If you are unable to join us from 2pm, please let me know, however please be assured these children will still get to enjoy the activities with the adults in school. There will be no charge for the bouncy castle and inflatables, but the raffle, food and drink will incur a charge.

Friday 24 July is our last day of term. Children can be collected at 1.15pm. If you are not able to collect at this time, please do let me know.

And finally, I have some staffing news. Miss Gaynor will be leaving us at the end of this academic year as she's moving to just outside London to continue her career there. We will miss her very much. I am sure you will all join me in wishing her every success for the future. Her new school will be very lucky to have her.

I will see you all on Monday.

Discounted attractions and meals out this Summer

The Government's Great British Summer Savings scheme runs from 25th June to 1st September. VAT has been reduced on a range of family activities, including children's menu meals, children's tickets for cinemas, theatres and concerts, and entry to attractions such as soft play centres, museums, wildlife parks and amusement parks. In addition, children aged 5-15 can travel on buses across England free throughout August. More information can be found by searching online for 'Great British Summer Savings'.

We have had communication via Devon and Cornwall Police that they have found rope swings hanging over mine shafts, with the assumption that children have constructed these and been playing there. Please can you ensure that children are reminded of the extreme danger of playing anywhere near open mine shafts and that parents are notified of this as a concern so they can ensure they are checking where their children are playing.
