

# TREWIDLAND PRIMARY & PRESCHOOL

NEWSLETTER 18.09.26

Dear Parents and Carers,

We've been immersing ourselves in reading this week at Trewidland. Read, Write Inc paid us a visit on Monday, and we shared the children's excellent progression stories with them. They spent some time seeing RWI in action in Class 1 and were very impressed with what they saw. Class 2 have also been reading lots – and spending time in the library choosing new books. They have then been quizzing on the ones they have read to check their understanding.

The whole school have been developing their oracy skills through our picture news assemblies. We considered an image about the changes in the weather and then spoke in groups about whether we thought the weather should impact what we do. We are learning to 'agree, disagree, build-on or challenge' opinions. It's all very exciting.

Thinking about the weather in general, it has been getting a little cooler. However, we are still able to get outside and enjoy our wonderful learning environment. Playtimes are mostly on the playground as the field is so wet but we're able to use the field for Wild Tribe sessions. Please ensure your child is sent to school with a coat as the days get chillier. They'll need them!

Here's looking forward to next week and another week of learning!

Enjoy the weekend,

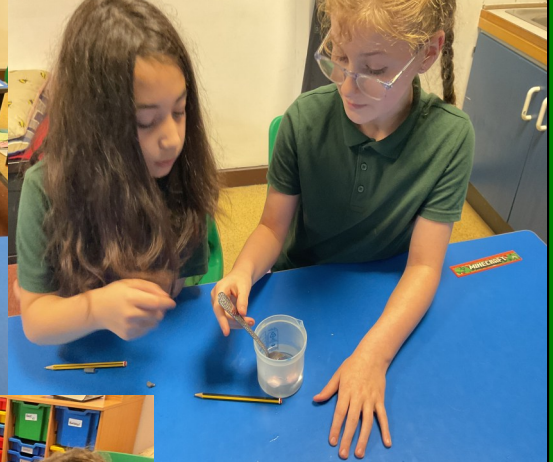

Mrs Cummings  
Head of School
