NEWSLETTER 25.09.26

Dear Parents and Carers,

This week we have been thinking forward to Harvest time. The nights have begun to draw in and the weather is a little cooler. We will celebrate Harvest at Trewidland on Thursday 15th October at 2pm. We hope you will be able to join us.

On the day, please can you bring in any tinned foods – or non-perishables for a donation. We plan on sharing these with the Food Bank in Liskeard. They do publish a list on their website of what items they need (as well as what they have plenty of).

Please see [Donate food | Liskeard & Looe Foodbank](#).

Wild Tribe was a great success last week. The children loved being outside, interacting with the environment and learning all about nature. They noticed one of the fruit trees donated by the Parish Council had an apple on it – much to everyone's delight. I'm thrilled we have the trees; its so important the children learn all about the seasonality of the food we eat.

We have also spent time this week in Class 2 applying the information we have learnt from our Geography unit on North America. The children spent time considering the question 'Would you rather live in Ontario or Cornwall?' I am please to say they all said Cornwall. I wholeheartedly agree. Cornwall is the best place in the world.

I hope you all have a lovely weekend,

Mrs Cummings
Head of School

You're invited to Cornwall's first
'While We Wait' Community SEND Support Day.

Thursday

Children not in school are welcome to come along with any toys or devices that will help them feel settled and entertained.

We know that waiting for support can be difficult and often leaves families feeling uncertain about what happens next. Many parents tell us that having the chance to talk directly with services helps reduce anxiety and gives them confidence about the support available for their child.

This event has been organised collaboratively and will provide an opportunity to ask your questions directly to:
